20% off Desexing Promotion Terms & Conditions

Participation in this offer is deemed acceptance of these terms and conditions. The 20% off desexing offer is valid at participating Greencross Vets clinics in Western Australia from 6 March 2021 – 30 April 2021 for new and existing Greencross Vets clients. To redeem, contact your local Greencross Vets clinic to check availability and make a booking. Bookings are essential, call the clinic to book (desexing procedures cannot be booked online).

This offer can be used in conjunction with eligible Healthy Pets Plus membership benefits.

Offer is valid for desexing procedures only. If you wish to discuss other concerns or health issues regarding your pet that are not related to a desexing procedure, then a separate veterinary consultation is required. If other additional procedures need to be performed at the time of desexing (including, but not limited to: dew claw removal, deciduous (baby) tooth removal, scrotal ablation or hernia repair) these will be at an additional cost. If you are unsure if additional clinical procedures need to be performed, please book a consultation with your nearest Greencross Vet (consultation fees apply).

This offer must be used in full in one transaction, is not transferable or redeemable for cash. These terms and conditions may be altered at any time by Greencross Vets. In the event of such alterations or cancellations, no compensation will apply.
