Vet Nurse Internship Program

Our Nurse Internship program offers challenging and rewarding opportunities to launch your veterinary career.

Combining your study with a professional internship program at Greencross Vets is a great way to gain real-life work experience and expand your veterinary skills.

Why complete a Nursing Internship at Greencross?

- Guaranteed clinic placement, completing 240 hours of voluntary placement across 30 work placement days
- Access to a support network of experienced mentors, trainers and dedicated veterinary team
 - Put theory-based learning into practice
- Train towards achieving the nationally recognised Certificate II in Animal Studies qualification
- Career and professional development with opportunities to progress into Certificate IV in Veterinary Nursing. Full scholarships are available and awarded to those who demonstrate excellence throughout the program.
 - Affordable price of \$2850

Program Duration

- 7 - 9 months

Eligibility Criteria - applicants must be

- Australian citizen or resident
- Have access to transport to attend placement
- Be available to complete an over the telephone induction process and undertake placement in clinic one day per week
